Regional Training Institute maintains excellence

IDNG Public Affairs

In August, the Idaho Ordnance Training Battalion of the 204th Regional Training Institute completed their Army Enterprise Accreditation Inspection conducted by the Combined Arms Support Command.

Well, the results are in! Not only were they recognized as an "Institution of Excellence" with a score of 95percent or higher, but they did so with a back-to-back maximum 100 percent rating between the 2012 and 2015 inspections!

Of the 13 Accredited Regional Training Sites for Maintenance throughout the country, Idaho prides itself on being one of the best!

The Idaho Army National Guard's Regional Training Site – Maintenance scored 100 percent on their latest inspections, maintaining their Institution of Excellence rating. Idaho National Guard photo
